

Creative Industries Summit 2014 Request for Proposal Centerpieces

The City of Salida Creative District was selected to host the 2014 Creative Industries Summit ("Summit") on May 1st and 2nd. The theme for the Summit is "Creative Convergence" and will bring approximately 300 people to Salida. This two-day conference targets creative entrepreneurs, emerging creatives, municipal and non-profit cultural workers, and creative community leaders. Topics address practical, nuts-and-bolts approaches to creative business and how-to's for working collectively with creatives, municipalities and businesses.
