# “Artcar Happenings”

An Artcar/Artbike Presentation and Workshop

**Friday July 18 (7:00-8:30pm) at Box of Bubbles**

**It’s an “artcar party/potluck” (bring edibles if so inclined)**

\*aka: Rodney Wood of Trinidad CO’s ArtoCade (artcar festival)  
[www.artocade.com](http://www.artocade.com) September 12, 13 & 14

**Saturday July 19 (10am-4pm) at Box of Bubbles**

An artcar workshop. Come brainstorm, play and learn how to make your very own artfully kooky conveyance. There will be hands-on activities, exercises and discussions about materials, tools & tricks of the trade along with other fun surprises.

**FUN GUARANTEED!**

**What the heck is an artcar?**

**“If you can’t drive it, it’s a float.”**

Anything you can drive fits the criteria - cars, trucks, motorcycles, scooters, bikes, tractors, golf carts, atvs or whatever “kooky conveyance” you can create.

**Keep in mind two important things: 1) You don’t need to be an artist to become a “cartist.” 2) You need not “kill” a vehicle to create a kooky conveyance -- There are many temporary and inexpensive ways to be part of the fun.**

**Box of Bubbles - 135 E. 2nd St. Salida, CO --**
